Chorus:

Playing Guitar

Guitar on the River

Playing my Guitar

Guitar on the River

The play of light

Between the Water and Sky

Is a song in and of itself

As the river rolls by

Bench on the Bank

Is weathered but clean

Sit on down and get yourself lost

In a six-string dream

Playing Guitar

Guitar on the River

Playing my Guitar

Guitar on the River

Two little girls

With a loaf of bread feeding the geese

And an old man

With a fishing pole

Working catch and release

Me, I'm mumbling words

Looking for the four and four

Thinkin how much I love you

And I found me some chords

Playing Guitar

Guitar on the River

Playing my Guitar

Guitar on the River

(Love that Dirty Water Theme)
