Intro/ Turnaround (Bud or Mark)

Sure did love the ladies  
In the most respectful way  
From the less known to the big stars  
From B. Louise to Bonnie Raitt

That Guy Was Fun  
Always found the sweetness  
          in what had been sung  
That Guy Was Fun

Sing No "Red River Valley"  
                  Em7                  A7  
Or Desparados Waiting for a Train

Lead Verse: Marky B

and Chorus: Bud

He was the guy who gave the first shot  
To the beggars and would be kings  
Serving up coolest tunage  
And the joy that it would surely bring

That Guy Was Fun  
Sad just now but he had a hell of a run
