When Blue, Blue Eyes Arise

Growing old
Together, Weathering each storm
Always warm in the embrace of one
another
It's always 5:37

Turn it over
Knowing this is the big plan
And that I will be the man
who's there and waiting
For Blue Eyes Arise
When Blue, Blue Eyes Arise

When Blue Eyes Arise
To another day in my life
It's another day to celebrate
You being my wife
When Blue Eyes Arise
I got nothin' more to ask for
When Blue, Blue Blue Eyes Arise
